

# The Tudor Barn Twilight Package

If you're planning an evening wedding, you'll find everything that you need at The Tudor Barn.

The Golden Hour Wedding, as we like to call it, has a ceremony that starts after 5pm and then goes straight into the reception, skipping the wedding breakfast.

We make it extra special because...

... your Twilight Wedding is available not only in the winter. In 2025 you can have your twilight-style wedding on week & weekend dates in Spring and Autumn.

# Twilight Package

The Twilight Wedding is a great option to consider if you're looking to plan a relaxed and romantic celebration, without the pressure or cost of entertaining guests for a whole day.

One thing is for sure, you will have plenty of time to get ready and the golden light will make your wedding unique with an elegant atmosphere.
